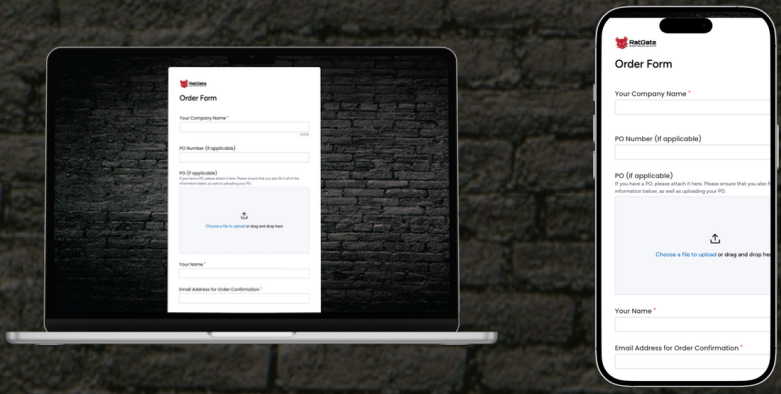
Online Ordering System and Next Day Delivery



You'll have access to our dedicated online partner ordering system. This simple to use system connects directly with our logistics team and fast-tracks your orders for dispatch.

Orders placed through the partner ordering system before 3pm are delivered the next working day (10am for installation poles).

It is also possible to place orders via email, however these will follow our standard 2–4 working day delivery timeframe.

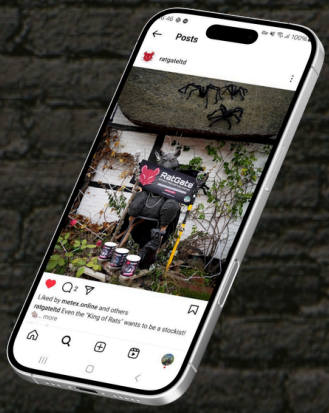
Digital Marketing Assets and Support



You'll get a free digital marketing pack to help you promote RatGate to your customers. This includes high-quality product images, descriptions, partner badges, social media posts, videos and banners —ready to use across your website and channels.

We'll also work with you as a strategic marketing partner, offering guidance on how to get the most out of these assets and market RatGate effectively to your audience. Whether you're introducing it to new customers or promoting it to existing ones, we're here to help you make an impact and grow your business.

Printed Brochures and Van Stickers

You will have access to professionally printed brochures to hand out to your customers—packed with useful information about RatGate and space to add your own company details. These brochures are perfect for explaining the product and building trust with customers.

We can also provide eye-catching van stickers, ideal for on-the-go advertising in your local area. All of this is completely free of charge, giving you everything you need to promote RatGate with confidence, both in person and on the move.

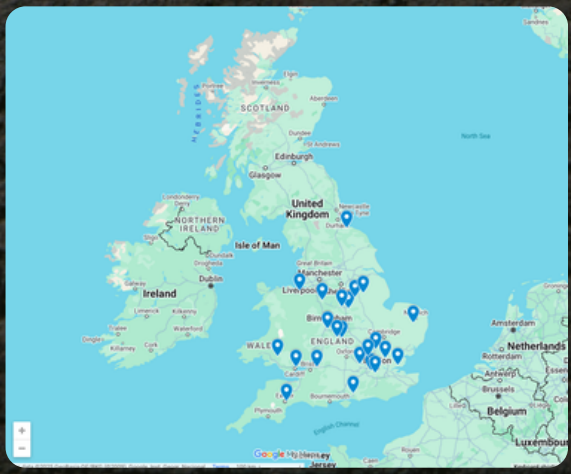
Access to Our Approved Installers List



You'll have the opportunity for yourself (or your customers) to be added to our Approved Installers list—a valuable benefit designed to help reach new clients.

When homeowners, businesses, or local authorities contact us through our website looking for trusted installers in their area, we can direct those enquiries straight to you. This means increased visibility, more qualified leads, and the potential for new ongoing client relationships. Displaying our Approved Installer badge on your website is also great for initialling confidence in your offering.

Technical Support
Via Email and Phone

You'll have direct access to our expert technical support team via both email and phone. Whether you (or one of your customers) are looking for advice on how to utilise our devices in the most effective way, or need help with unusual drainage configurations, we're here to support you every step of the way.

You'll also benefit from insider tips and best practices developed through thousands of successful jobs, giving you the confidence and expertise to stand out in your field. This ongoing support is part of our commitment to making sure our partners succeed—not just with RatGate, but within the wider pest control and drainage industries.

Exhibiting to your Partners and Customers

You can also invite us to attend your company events, trade shows, or exhibitions to help showcase and demonstrate our products directly to your customers.

Having someone from the RatGate team on hand adds credibility and allows us to answer technical questions, provide live demos, and help educate your audience on the benefits and effectiveness of our product range. It's a great way to boost engagement, generate interest, and boost sales.
